Title:	Flow Conditions Sensor Assembly for Patient Infusion Device	

PETITION TO WITHDRAW HOLDING OF ABANDONMENT UNDER 37 CFR § 1.181

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

This Petition to Withdraw Holding of Abandonment Under 37 CFR 1.181 is being submitted within 2 months of the November 29, 2005 Notice of Abandonment—considering that January 29, 2005, was a Sunday.

Applicant received a Notice of Allowance and Fee(s) Due dated July 20, 2005. The Notice of Allowance and Fee(s) Due indicated that the Issue Fee of \$700 and the Publication Fee of \$300, totaling \$1000, were due by October 20, 2005.

On October 20, 2005, counsel for applicant submitted a completed and signed Fee(s) Transmittal (form PTOL-85). On the completed Fee(s) Transmittal, counsel for applicant checked the "issue fee" and "publication fee" boxes of section 4(a). Also, counsel for applicant checked the box in 4(b) authorizing the Director to charge deposit account no. 503188 all of the required fees. Counsel for applicant enclosed an extra copy of the Fee(s) Transmittal form as instructed on the form. Counsel for applicant signed and dated the Fee(s) Transmittal form in the proper section. Sufficient funds were and are present in applicant's deposit account no. 503188. Counsel for applicant also completed and signed the Certificate of Mailing or Transmission on the Fee(s) Transmittal form certifying that the form was being transmitted to the USPTO on

October 20, 2005. Thereafter, on October 20, 2005, counsel for applicant sent the completed Fee(s) Transmittal form in duplicate with a fax cover page to the USPTO by facsimile. A copy of the complete 3 page facsimile transmission showing the fee payment authorizations, signature, date and signed and dated certificate of transmission is attached.

Also on October 20, 2005, counsel for applicant received confirmation from the USPTO that the 3 page fax transmission including the Fee(s) Transmittal form was received. A copy of the Auto-Reply Facsimile Transmission is attached.

On November 29, 2005, the USPTO mailed a Notice of Abandonment indicating that the application is abandoned in view of applicant's failure to timely pay the required issue fee and publication fee within the 3-month statutory period from the mailing date of the Notice of Allowance. The USPTO indicated that the submitted fee of \$0 is insufficient and that a balance of \$1000 is due.

Applicant submits that the Notice of Abandonment was issued in error. As set forth above, applicant paid the issue and publication fees within the 3-month statutory period. With this petition, applicant submits sufficient evidence that the issue and publication fees were paid in full by the October 20, 2005 deadline. In view of the foregoing, applicant submits that the above-referenced application was not abandoned and respectfully requests that the holding of abandonment be withdrawn.
